Chicago, IL | (415) 967-8143 | kathdj@gmail.com

EDUCATION

University of California, Berkeley
Bachelor of Arts in Data Science
Minor in Russian Literature

Berkeley, CA
Aug 2016 – May 2020

WORK EXPERIENCE

Data Scientist

Warner Bros. Discovery

Sep 2020 – Oct 2025

- Partnered with Product and Data Engineering teams to build next-genre prediction models from viewing data, improving the accuracy of personalized recommendations for subscribers of HBO Max streaming platform.
- Developed machine-learning models forecasting comic sales, reducing prediction error by 43.5% versus legacy manual processes and informing DC Comics' biannual product approval decisions.
- Built a Python deep-learning pipeline in TensorFlow on Microsoft Azure to perform video super-resolution, upscaling vintage television footage to HD for remastering.

JOURNALISM & EDITORIAL EXPERIENCE

Volunteer Data Journalist & Developer

[MuckRock](#) ([Data Liberation Project](#), in collaboration with [Big Local News](#))

Nov 2024 - Present

- Built Python pipelines to create the first machine-readable [archive of TSA traveler complaint data](#), enabling journalists to quickly investigate airport-level trends and issues.
- Wrote a [public explainer](#) on the removal of TSA complaint data in early 2025.
- Built a [web-scraping tool](#) that extracts emissions data from Texas air-permit records, speeding up reporting on air-quality and environmental concerns.

Chicago Documenter

[City Bureau](#)

Jan 2025 – Present

- Created [accurate, detailed, publicly available records](#) of Chicago government meetings, focusing on 2025 budget hearings, as part of the 3,700+ member [Documenters network](#)

Fiction Submissions Reader

[Same Faces Collective](#)

Jul 2025 – Present

- Reviewed and evaluated fiction submissions for the literary magazine, providing constructive feedback on theme, voice, style, and narrative strength; committed ~4 hours per week during reading periods.

AWARDS & PUBLICATIONS

Awards and Prize Nominations

- **Pushcart Prize Nominee (2024)**. Nominated for short story "[The Last Dinner Party](#)," published by *Same Faces Collective* literary magazine.
- **Gary Marx Fellowship, Investigative Reporters & Editors Inc.** Awarded prestigious fellowship for early career journalists.

Publications

- **“The Last Dinner Party.”** *Same Faces Collective* Issue 16, “Re:Vision.” Fiction.
- **“TSA complaint data disappeared. Here’s where you can still find it.”** MuckRock News. Investigative Article.
- **“Private vs. Public Housing: Navigating Inflation’s Impact on Singapore’s Property Market.”** MyBasket Singapore. Article.
- **“The Proposal.”** [Missed Connections: Microfiction from Asia](#). Flash fiction.
- **“The fiesta away from home.”** [Philippines Graphic](#) Volume 26. Poetry.

WRITING CLASSES & CONFERENCES

StoryStudio Chicago – “Creative Writing Essentials”

Jul 2025 – Aug 2025

- Completed a creative writing course taught by author Sarah Terez Rosenblum, including intensive workshops. Produced weekly writing and reading assignments and contributed to in-depth discussions of craft and narrative technique.

Investigative Reporters & Editors Inc.’s NICAR Conference

March 2025

- Attended the National Institute for Computer-Assisted Reporting conference in Minneapolis, MN, sponsored by the Gary Marx Scholarship from IRE. Gained hands-on exposure to data journalism, including data analysis applications in reporting, writing data-driven stories, and foundational investigative journalism techniques.

The Writer’s Grotto – “Write Short Stories Like the Masters”

Nov 2022 – Dec 2022

- Completed a fiction workshop taught by author Jenny Bitner. Wrote and workshopped an original short story, provided and received weekly peer feedback, and submitted reading-response assignments on selected short stories.
